Shipping Weight: 5.5 pounds

Average Customer Review: 4.1 out of 5 stars 9 customer reviews

Best Sellers Rank: #958,794 in Books (See Top 100 in Books) #46 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Sports Memorabilia & Cards > Sports Cards](#)

Customer Reviews

I have two similar books about Topps baseball cards and absolutely love them, so I thought I would buy this Topps football card book. I can tell you the content is very good, with good photos of years worth of cards to stoke your memory, but there was one big problem. The binding was terrible, which ruins the quality of the book. For the price of this book, the condition should be much better.

I had forgotten that this was issued back in the latter 1980s but Topps and the publisher did a wonderful job of organizing and capturing every single card issued in this era by the company. It brought back floods of memories and it would take years of collecting at massive dollar amounts to be able to see this much of my childhood captured so intensely and succinctly. I truly enjoy it!

It was exactly what I expected as a used library book, The condition was very good and the binding was still intact.

This book provides a card sized photo(in color) of each Topps football card made during the 1956-1986 time period. The book also provides statistics for each player at the back of the book. This is a nice table book, and item for conversation, and an excellent book for those who were young when these players were part of the NFL.

Very satisfied customer

excellent book thanks great service

accurate description. good dealer. yabba dabba doo. yabba dabba doo.yabba dabba doo.yabba dabba doo.yabba dabba doo.yabba dabba doo.yabba dabba doo.yabba dabba doo.yabba dabba doo.

Terrific book. I collected football cards during my childhood into adulthood. Unfortunately, my extensive football card collection was entirely damaged beyond repair a few years ago. Replacing them is an impossibility for me due to today's staggering costs for vintage cards. This book is the complete pictorial collection of Topps football cards, stats included, from 1949 to 1985. I virtually have most of my collection back, thanks to this book. Topps, I can't thank you enough for publishing it. I hope other card companies will follow suit.
