## Customer Reviews

I bought this is a gift for my brother for an occasion and gave it to him early and to say the least he loves it. It is already hanging up on his wall. Thank you Sports Illustrated, thanks to the vendor for articulately and accurately described in the calendar because it is exactly what Britain online. So for any guy out there, this would be a perfect gift.

It has become somewhat of an annual tradition to get one of these SI swimsuits for my grandfather, and this year was no exception. As you would expect, all of the photos are very attractive. We have always been satisfied with the quality of the print material used for the calendars, easily lasting all year - most of what is written on the calendar is appointment reminders for my grandfather, so it doesn't get a lot of use in that regard. But it serves the intended purpose of giving my grandfather something new to appreciate at the beginning of every month.

I get my son a calander for Christmas every year, and since he's now 17 I figured this would be

perfect. And it was, the embarrassment in his face when he opened it was priceless!!!

Beautiful women and a larger number display (needed because of my aging eyes) than the first SI calendar I bought . I am happy with this version of the SI calendar.

This is the ultimate garage calendar for men! So many beautiful women in swimwear!! Makes me think about the beach during the winter!!

We buy this calendar every year for my brother in law for Christmas! I think he would be very disappointed if santa forgot to get him one every year!

Every Christmas, since he turned 17, my nephew asks for one of these calendars. He loves it! It never seems to disappoint him!

Amazing calendar, I will be buying this every year from now on. The girls are AMAZING!
