I really enjoyed reading this little weekend guide. It's just what I needed for a week's trip to Marco Island and Naples I'm planning. What I enjoyed best is that it's short (you can read the entire guide in about one hour), to the point (provides all you need to know about accommodations, restaurants, shopping & sightseeing options) and it contains precious little nuggets of information, as if the author was talking directly to you. Well written. Definitely recommend.

Not worth the money. I would have expected a map of Naples to say the least.

Not very helpful or informative..not very useful

Not a lot of information, was disappointed.
