Every crossword fan should keep this reference within reach. The softcover edition is billed as the most comprehensive pocket crossword dictionary on market. And this hybrid dictionary, thesaurus and almanac lives up to the promise. Probable answers to clue words are listed alphabetically and by number of letters. Literary, dramatic, historical and other references are usefully arranged. "Elephant Man" listings, for example, include the film's director and cast members. "Festival" includes the festival names of the Greek and Roman deities. Look under "Language" for the mother tongues of nearly three pages of countries. A very handy book!

I'm one of the millions of people who do crossword puzzles every week. If you love them as much

as I do, this will be the last reference tool you'll ever need. With more than 700,000 clue and answer words, grouped by number of letters for your puzzle-solving ease, this book is the most comprehensive one on the market. And, it's compact, paperback format makes it easy to carry anywhere!--Laura Paczosa, Editorial Assistant

This was the SIZE I wanted. Bought the newer 2006 version, but it's too BIG! Didn't want to deal with a small telephone book size with the new version. Too bad, there's probably more stuff in it but "paperback novel" size is what I wanted.

Ridiculously too many words....print way to small! Goodwill donation.

Random House does a good job on it's dictionaries. I know the effort they put into them after working with them other projects years ago. However, this version is so small, that is that the print is so small it is difficult for us to read now that we are at the trifocal age as far as our glasses are concerned. If you have good eyesight, no problem. For some of us senior citizens, reading the small print is a problem.

I absolutely love this little crossword puzzle dictionary. I had a copy of this same dictionary & used it for years. It finally came apart so I ordered a replacement from . It is very comprehensive, easy to use & has enabled me to increase my vocabulary immensely. I highly recommend it to any crossword puzzle lover.

The book was as if new. Great price.....one cent. Thanks.

Like it.

This book would have been perfect if the words weren't so small. It had every word imaginable but, isn't any good if you can't read it. I had to toss it in the trash.

Thank you for the 2 dictionaries. I love them.
