The Power Of The Tongue

Synopsis

Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.

Victory. That word, more than any other, sums up the gospel of Jesus Christ. And preaching that victorious gospel to the world has been Kenneth Copeland's driving purpose for more than 30 years. An ordained minister, author and internationally recognized preacher, Brother Copeland began his ministry in 1967. Since then, Kenneth Copeland Ministries has grown to include not only its headquarters in Fort Worth, Texas, but offices in Canada, England, South Africa and Australia as well. Best known for his exuberant proclamation that "Jesus is Lord!", Kenneth Copeland has introduced people the world over to the saving message of faith. However, the vision of KCM includes more than simply introducing people to Jesus Christ. Theirs is a vision of taking believers on to maturity in the principles of faith, love, healing, prosperity, redemption and righteousness. Every day that vision becomes more of a reality through Kenneth Copeland Ministries daily and weekly television broadcasts, monthly magazine, books, teaching tapes, gospel music recordings, meetings and conventions. Through these KCM outreaches, every day thousands of believers from

Jacksonville to Johannesburg are moving from defeat, self-doubt and discouragement - to a life of God-given victory.

Very good book on tongues it's funny how you a person can't control their tongue. You would think of such a little part of your body you could. But it's so true the things that came out of my mouth before I was saved oh my! Today I like the way I am I enjoy myself and people like to talk to me. I need to always watch myself I sometimes get negative thinking or even talking. I got to catch myself I'm better everyday I read the Word I tend to think more positive things. I'm wanting to receive the baptism of the Holy Spirit but haven't spoke in other tongues I know I will receive it because the Word tells me but nothing. This is an excellent e-book you will learn a lot about your tongue.

This book holds insights regarding what we say and how we can change from speaking like the world because we aren't of this world. Absolutely amazing.

Powerful and poignant book for those looking for a higher application of the Word of God than many religious denominations propagate. Aptly and correctly support the "Spirit minded" teaching and position in the Bible

this really tells you why your tongue can get you into so much trouble and you won;t even know it.

Love this!!

Great Book, Great insight.

this book saved my life and changed my life into an active believer

Very informative.
