# Tuttle Pocket Indonesian Dictionary: Indonesian-English English-Indonesian (Tuttle Pocket Dictionaries)

## Synopsis

Users requiring a quick and handy reference work for Indonesian, particularly when they are out and about, need look no further than the Tuttle Pocket Indonesian Dictionary. This dictionary has been especially designed for foreigners working or traveling in Indonesia. It is equally useful for Indonesians who live abroad or in an English-speaking environment. No knowledge of Indonesian grammar or word formation is necessary to use this helpful dictionary – simply look up the word as you hear or read it, and you'll quickly find its meaning. This is a revolutionary feature that most other Indonesian dictionaries are lacking. Special features of this Indonesian dictionary include: Covers the 15,000 most common Indonesian and English words. A useful pronunciation guide. A small, compact size makes it portable and lightweight. Both Indonesian-English and English-Indonesian sections. Special emphasis is given to words vital in daily use, important in business and cultural settings, and useful to travelers. The entries in both sections contain common idioms and expressions, as well as up-to-date IT and Internet vocabulary. There are no other authoritative pocket dictionaries of Indonesian. The Oxford Starter's Indonesian-English Dictionary and the Tuttle Concise Indonesian Dictionary are larger dictionaries with more entries, but these are aimed at students rather than general users.

## Book Information

Series: Tuttle Pocket Dictionaries

Product Dimensions: 3 x 0.7 x 4.5 inches

Shipping Weight: 6.4 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 24 customer reviews

Best Sellers Rank: #817,916 in Books (See Top 100 in Books) #69 in [Books > Travel > Asia > Indonesia > General](#) #125 in [Books > Travel > Asia > Vietnam](#) #511 in [Books > Reference > Words, Language & Grammar > Alphabet](#)

## Customer Reviews

Katherine Davidsen completed her BA (Hons) in Indonesian at Monash University. She has since worked in Melbourne, Indonesia and Hanoi, teaching English ESL, Indonesian and Japanese. She

is the author/editor of the revised Tuttle Concise Indonesian Dictionary and is currently working on her Masters in Applied Linguistics at the University of Southern Queensland.

Gave this to my son before his trip to Indo. It arrived quickly and he said that it came in very handy as he was injured just after arriving and couldn't surf the whole month.

A good book if you are going overseas for a short time and need help surviving. It has most of the basic words and phrases. When we were in Indonesia, I didn't use it as much as I thought I would simply because I had other means of language help. It's the perfect size to keep in your purse and hopefully get you out of jam! The most important word to know is "maaf" which means "sorry". :)

Is what it is. Admittedly, you may want to look at Apps first.

This is a great size for traveling and very concise. Great purchase.

This was much smaller than I thought it would be, but that was because I didn't read the dimensions carefully. It is the perfect size to carry around and is super easy to understand. There are pages in the front that explain the different abbreviations and symbols. Great value for the price!

Great size for traveling but font size is a little small.

very useful book for me to communication with my new helper who knows very little english. When she need to communicate with me, she will look for the bahasa words with the english word beside, and vice versa when I want to communicate with her. I find it is easier than using dictionary.

The "Tuttle Pocket Indonesian Dictionary" is the perfect travel assistant. This 15,000 word dictionary is broad in coverage yet concise, small and therefore very easy to carry. The book is well bound and written on excellent paper stock to withstand rough treatment and challenging travel conditions. I highly recommend it to travellers as well as students.
