NorthStar: Building Skills for the TOEFL® iBT: High Intermediate, by Helen Solerzano (Series Editors: Frances Boyd and Carol Numrich) is published in cooperation with ETS. Pearson Longman and ETS combine their expertise in language learning and test development to create an innovative approach to building the skills assessed in the new TOEFL® Internet-based test (iBT). Each text features:

- Ten thematic units to develop academic skills in English while building test-taking confidence
- Integrated skill practice to develop critical thinking and communicative competence
- Authentic TOEFL® iBT practice sets created by ETS especially for this series
- Practical tips to sharpen test-taking strategies
- Teacher's Manuals with evaluation tools to track students' progress and actual student responses (speaking and writing) at all score levels
- Available in Intermediate, High Intermediate, Advanced levels.

Use NorthStar: Building Skills for the TOEFL® iBT with the integrated skills series NorthStar to build a strong foundation for success on the TOEFL® iBT. (ETS, the ETS logo, and TOEFL are used registered trademarks of Educational Testing Service (ETS), used under license by Pearson Longman.)

Buyer beware, this book does not include the CDs and to be a full training tool, it needs the audio. It's not the fault of the shipper, since they're shipping exactly what's posted, but more the fault of the publisher for not deciding to include the CDs at an affordable price. I teach English in a third world country and - though I love the NorthStar series, having bought other books that included the audio - find that to get the audio in addition to the book, the price is appalling. I'm not really sure who their target audience was in pricing these items, except for maybe Russian oligarchs.

It was new and cheap

This book contains a lot of useful information. Each section is different topic. The variety of accent, speed, content supports listening skill in outstanding way, forces student to listen and hence, enhances skill perfectly. Moreover, writing section is not only about standard essay but also contrast...This book is absolute must have for international student to prepare for college or ENG101.

It's O.K. but there are many writing in the book and no CD. I received this book in 10 days after buying it.

I recommend itIts very useful for who is in high intermediate level of english languagebook should be with CD and cd is very important

The book is amazing! I love it!Thank you.

I like this book. It contains many assignments. There are oral and written tasks every lecture. I think this book is a great tool in TOEFL preparation.

Very helpful as an adjunct to my current college course. Recommended by my teacher and all other students who have previously used this.
