## Customer Reviews

Hannah C. Hall estimates that she has read approximately 4,500 bedtime stories to her children over the last few years. She is thankful to get to add her own books to their daily rotation. Hannah and her husband, Josh, have five children and live in a small town in Arkansas.   
   
 Steve Whitlow lives in northern England, on the top of a (very) windswept hill, with his wife and young family. Steve followed his artistic calling from an early age and was first published at age 16, producing vibrant characters for greeting cards and then children's publishing. With no formal art training and only his natural talent, Steve has now been working as a professional artist for more than twenty years.   
 "My kids are my critics," says Steve. "The best reaction I can hope for is an exclamation of 'Cool, Dad!'"   
 "from either Sam or Ethan or both."

Another home run in the children's series by Hannah Hall. This book has a wonderful message about God. It helps teach your toddler about God and patriotism. The book is a cardboard book too so it's almost impossible for your little ones to tear the pages. I would recommend this book to any Christian family wanting to teach their children about God and patriotism.

Great book, my daughter loves it and all the animals. Great story, would most definitely buy it again!
