Synopsis

An unforgettable tale brimming with suspense,Ã Â mysteryÃ Â and romance -Ã Â The Girl Who Dared to ThinkÃ Â will thrill fans ofÃ Â The Gender Game,Ã Â DivergentÃ Â &Ã Â The Hunger Games...How do you fight an enemy when they're inside your mind?A gargantuan glass-walled tower looms over a deadly wilderness. They say it's all that's left.The Tower's survival is humanity's survival, and each must serve it faithfully...Twenty-year-old Liana Castell must be careful what she thinks. Her life is defined by the number on her wristband - a rating out of ten awarded based on her usefulness and loyalty to the Tower, and monitored by a device in her skull. A device that reports forbidden thoughts.Liana is currently a four, the lowest possible acceptable score, and despite her parents' perfect scores of ten, she struggles to increase it. Rebellious ideas come all too easily, and resentfulness seems part of her being. She is an overseer-in-training, but her future will be dark if she cannot raise her worth...Threes require drug treatment.Twos are isolated.Ones disappear.When Liana's worst nightmare comes to pass and she drops to a three, desperation spurs her down a path few dare to tread. A chance encounter with a cocky young man whose shockingly dissident attitude toward the Tower couldn't possibly have earned him the perfect "ten" on his wrist, sets her on a trail to save herself - even at the risk of dropping lower.Stalking the young man seemed like a simple enough task, but after events take an unexpected twist, Liana finds herself taking a treacherous dive into the darkest depths of the Tower... and the decades' old secrets buried within.In a society where free thinking can make you a criminal, one girl dares to try...Buy now!Ã Â *Beware of spoilers in the reviews below that are without spoiler alerts*

Customer Reviews

Really intriguing storyline. Semi-fast paced with lots of thought provoking detail. Was really glad Ms Forrest put this out as one book, not two...makes it so much easier to get caught up in the plot twists and turns. Looking forward to the next installment. And loved the title.

I can’t believe how sucked in to this book I was!!! What a unique plotline. The characters are so real you can almost touch them. Another must read!!!

What a great book! I loved Gender Games and this book did not disappoint! Can’t wait for the next installment.

Absolutely LOVED it! When I read about the Tower in the Gender Game, I wondered if she would do a series about it, so I was excited to see this book was written. I think I loved it more than the Gender Game (which I really, really enjoyed). Towards the end of the book, I could not put it down and had to stay up late to finish it! I can’t wait for the next book!!

Absolutely on the edge of your seat storytelling!! Been waiting for this story! After The Gender Game I thought about this community and wanted to know more!! Now I do!!!! Worth every penny!!

Already signed up for the squeal.

Fast paced story that still allows for character development and emotional connections. I enjoyed the book and look forward to the next installment. I hope we learn more of the back stories too.

I love the setting and the complement to the gender game series that were awesome. I’m looking forward to hearing what happens to Liana and Scipio and Jasper in the next book.
