Customer Reviews

Borch, a cartographic publishing company from Germany, makes tough, long-lasting maps with non-toxic, environmentally responsible lamination material.

Beautifully laminated providing a very durable, colorful and easy-to-read map. Driving in the Dominican Republic is not for the faint of heart, but anyone who does needs to have a GREAT map and this one sure is. The map does include the new by-pass around Santiago, the new autopista to Semana, and the bypass and autopista to Punta Cana. Also has great city maps of Santo Domingo, Colonial Santo Domingo, Santiago, Puerto Plata and Punta Cana area. Also a great map for one who enjoys the Dominican Republic and simply wants a good map. Worth the money!

Nice clear map, arrived as advertised

The way it should be. Basic info for all republic in English. Even a subway in capital clearly marked. Please dont expect everything be updated. General reference--yes. But no bus stations for all locations or currency exchange. Front page does says what to expect.

It wasn't too helpful on our trip.

Not what I expected. The map is not very detailed, I expected more detailed roads in Santo Domingo..It just okay.

Good national map with major roads, it will get you around, a regional roadmap will be an excellent companion.

Very impressive map

Great
