Sensitive - A Yaoi Hentai Gay Erotica Fantasy

Synopsis

Sen has no memory of the castle he's in or the princess he's about to marry. Things grow even more confusing when the handsome demon god Lilivite shows up to kidnap his bride. He claims Sen was his lover, and if he wants to leave him for this woman he'll have to go to his dark realm and rescue her. Somehow, Sen knows it's the truth. Nothing makes sense except what he felt when he saw the demon Lilivite. He'll go to the dark realm, rumored to have energies so perverse men die of exhaustion when they dare enter, and find his answers from the demon who so compels him. Loaded with yaoi hentai scenes, male/male loving, touching romance, and a mystery to be unraveled. A full novel in one installment with a guaranteed HEA!

Customer Reviews

A quick wit of humour with a sexual mixed experience of fantasy and forbidden desires, Sensitive follows a love story that will draw you in and leave you with a world you couldn't imagine. I planned to read this off and on while I did chores, but before I knew it the book was over and I hadn't even

turned on the lights. Absolutely fell in love with it, wonderful read!

Like all her other books this is a great read. I have read pretty much every book she has done and they are all great.

This was a delicious treat that deserves to be devoured and savored again and again. Never stop these stories. Thank you.

Overall, I enjoyed reading this story very much. There are a few typos and rather interesting sentence structures but they did not take away from the story in my experience.

A good read, yes, but, it left me wanting more. A few minor grammatical errors too, but nothing that will ruin the story. Read it.

You can read this in one sitting. I don't want to give anything away, but think Marvel super heroes on Viagra. It's a hoot!

I want an encore! Wedding please? They are so awesome and cute in love. And of course I want to see the revenge for his father. Mwuhaha!

Great imagery but the occasional editorial error which took me out of the moment.
