H. A. Maxwell Whyte (1908–1988) embarked on a journey in ministry that was fraught with uncertainty and an absence of familiar landmarks when he was sovereignly led by the Holy Spirit into an understanding of demonic activity and spiritual warfare. As is so often the case with pioneers, he was misunderstood, ridiculed, and ostracized by the Christian community, even in his own city of Toronto. Despite great opposition, he forged ahead in the battle against the forces of Satan, convinced that the ministry of deliverance was scripturally based and was being restored to the church. Later, he began to record his experiences, and over the next two and a half decades, he authored eighteen books. His first book, *The Power of the Blood*, has been translated into several languages and is widely distributed throughout the world, selling over 500,000 copies internationally.

on the topic- it was well written. I recommend it. I really enjoyed this book. My friend recommended it to me, and I am glad I read it. I am going to keep it in my library.

This is revised copy of a classic book written in the 50s. The additions to the original make it an even better read.

This book is a classic, full of nothing but POWER!!! I ordered this for my mom who held onto the book she had from years ago. My mom had the book so long it was beatened and battered, so I had to order her a new one. Over the years she has relied on and referenced the book to get her through some tough times and for encouragement. Highly recommend this book!

There's life in the Blood of our Jesus. There is power today that you can apply in your spiritual life today.

This is the book I meant to order when I order the other one by Spurgeon. It is easy to read and real basic. An awesome encouragement to pray the blood of Jesus Christ and in the filling of the Holy Spirit.

Badly needed info for the Body of Christ
