## Customer Reviews

This book is one of the best books I have ever read. The story is full of mystery and action! It is about three friends who embark on an adventure to find the legendary King Sandy's Fortress! This book was exciting from start to finish, and I would recommend it to all members of the family!

Lovely Children's Books from a Wonderful Family Game - Virtual Family Kingdom - cute story lines make for excellent bedtime reading and if you like the books try the game for free **YOU CAN BE A MERMAID or MERMAN**

Most excellent book series. This series will be great for the grand kids story and lap time. They are very charming.

My daughter was really excited to be able to purchase this through . She bought the entire set, it

was exactly as listed. We are very pleased.

This would make a great first chapter book for young readers just venturing into the of "big kid books.". There are still pictures to help hold their interest as the story unfolds. There are the perfect amount of words per page so that it won't feel overwhelming to young readers. This would best suit young girls between grades one and three. My seven and nine year old neighbor girls really enjoyed this book. This is right under 100 pages.

I bought the books and they are coming at 8:pm but it still looks like a great book just wish i can have it faster
