Galatians (N. T. Wright For Everyone Bible Study Guides)

Synopsis

Paul's project, he often says, is building--not building with bricks and mortar but rather with people. He lays the foundation with the shockingly good news of one true God who raised Jesus from the dead, in order to build a new family with no divisions, all of whom can call God Father. In a world of widespread ethnic rivalry and trenchant divisiveness, Paul's strong corrective message in Galatians demands to be heard and reheard. In these studies by Tom Wright, we hear once again what remains shockingly good news.

I am leading a bible study class on Galatians. It is not an easy epistle to study and there have been a variety of views and understandings. I have found N.T. Wright's guide to be very helpful. It is relevant without being simplistic, scholarly without being complicated, heartfelt without being sugar coated. I have found the sample questions in each section to be particularly useful.

My husband and I used this as a devotional study for ourselves, and enjoyed it thoroughly as the questions are thought-provoking and require that you interact with and ponder the text. Due to N.T. Wright being so knowledgeable as I've read his other books, I did wish he'd share more of his knowledge and insights on the Scriptures in this book. However, then the study would not be so succinct, which is partly why we enjoyed it as it didn't feel overwhelming to go through. A good study of Galatians.

NT Wright will blow your mind. He's brilliant but his writings are accessible. He provides a fresh and alternative perspective that we DESPERATELY need in the "west" and North American in general regarding how we approach the scriptures. Read this!

Good review of info

Great discussion companion to Wright's commentary during our study group.

Outstanding study guide for Galatians.

The NT Wright study guide of Galatians provided insight and good follow up questions. This guide has enhanced my understanding of Galatians through knowing more about the context of the book

N. T. Wrights Bible Studies are always interesting and thought-provoking. He is always able to relate the lesson to the problems encountered by today's Christians.
