# Let Go Now: Embracing Detachment

## Synopsis

So many of us spend so much time enmeshed in other people's problems, trying to solve or change them, that we don't really know where we begin and they end. Not reacting to people or situations that provoke us is not an easy skill to develop. It takes practice and conviction that not reacting, not increasing the drama, doesn't mean we don't care. On the contrary, we are freed to show genuine love and care only when we can detach from the knee-jerk need to fix, solve, rescue, or control. Even the idea that someone else can make us feel happy (or beautiful or angry) or we them is an illusion, says Casey in this remarkable book. All our feelings come from within and we get to choose how to respond to life. The meditations in this power-packed little book provide us the tools we need to practice letting go of the illusion that we can control anyone or anything beyond our selves. Casey teaches us to focus on finding our own balance point and recognizing how to get to it whenever we find ourselves tempted to rescue or enmesh.

## Book Information

Paperback: 224 pages

Publisher: Conari Press; Original edition (August 1, 2010)

Language: English

ISBN-10: 157324466X

ISBN-13: 978-1573244664

Product Dimensions: 0.8 x 5.5 x 8.5 inches

Shipping Weight: 12.2 pounds (View shipping rates and policies)

## Customer Reviews

Though the prolific Casey (Change Your Mind and Your Life Will Follow) admits that embracing detachment (to "bring together" separation) is a conundrum, she sees it as a way of life that must be followed in order to find true peace. A dysfunctional upbringing lead her to alcohol abuse and then AA, which helped her to understand her codependent behavior: she had "danced around others" and based her self-image around their approval. By practicing detachment, which she admits requires a commitment of patience and time, she experienced a major transformation. Too many of us, Casey believes, allow the behavior of others, whether good, bad, or indifferent, to control us.

After a brief introduction, she presents 200 short, straightforward daily lessons, from "detachment from others is necessary to fully enjoy attachment to God" to "relinquishing the role of being someone else's Higher Power," illustrating the many forms that detachment can take in one's life, and the obvious foundation behind her self-help philosophy. Obviously inspired by the tenets of AA, and updated with an eye to the east, Casey's latest is an easy reference guide for those seeking recovery or peace. For the first time, I truly grasp the meaning of co-dependency. This book, in simply-written, brief paragraphs, takes the reader step-by-step through releasing others to live their lives and reclaiming one's own self. I use the book daily, one reading at a time, to tutor my own self reclamation project. It gently leads. It encourages and coaches. I have found it to be invaluable, a book I can come back to time and time again.

It takes more than therapy and 1 or 2 books to stop being enmeshed and or co dependant. This is a great book to help. It's on my phone so I can read it when I need it. I highly recommend this book!

Great book for dealing with addicts and family who tend to wear rose colored glasses

real, relates to me, touches me that someone else had to go through this.

Reading and working with this book and another. Very helpful!

I read these daily. Very well phrased.

Letting go is so difficult at times.. this helps one identify areas that need to be explored to a healthier and more balanced life... Not fixing people doesn't mean you don't love them - it means you love them enough to learn to fix themselves with the help of God.

I will always refer back to this book when I get out of balance. It helps me to remember that the world is not centered around "my" ability to keep it spinning on its axle. It keeps me sane...this book is a tremendous blessing to me.
