With You: A Tear Asunder Novella

Synopsis

The New York Times Best Seller With You. Do not listen if you are sensitive to disturbing scenes, as the next novel, Torn from You, is a very dark romance. Sculpt is an illegal fighter. He's also the lead singer of a local rock band. No one knows his real name. And from the moment I met him, he made me forget mine. In order to convince Sculpt to give me self-defense lessons, I had to follow his one rule: no complaining, or he'd walk. I didn't think it would be a problem. I could handle a few bruises. What I hadn't anticipated was landing on my back with Sculpt on top of me and my entire body burning up for him. I tried to ignore it. I failed, of course. And having a hot, tattooed badass on top of me week after week, acting completely immune to what he was doing to me - it was frustrating as hell, so I broke his rule. I complained. Then he kissed me. Author's note: This novella is a prequel. Listening to it before Torn from You is not required but is highly recommended. Warning: huge cliffhanger. Like huge! However, With You is released on the same day as Torn from You the novel. Due to sexual content and strong language, not recommended for listeners under 18.

Book Information

Audible Audio Edition

Listening Length: 2 hours and 19 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Audible Studios

Audible.com Release Date: June 21, 2016

Customer Reviews

ÃƒÂ¢Ã ¬Ã Ã“I kiss you Emily . . . thereÃƒÂ¢Ã ¬Ã â„¢s no going back. No other guy kisses you, touches you, or gets to taste whatÃƒÂ¢Ã ¬Ã â„¢s mine. I donÃƒÂ¢Ã ¬Ã â„¢t share.ÃƒÂ¢Ã ¬Ã -LoganI simply cannot say enough about my adoration for everything written by Nashoda Rose. Somehow I missed this novella and I simply had to go back and read it. To be completely honest, I think I enjoyed it even more knowing how their story was going to unfold.Emily aka "Mouse" wants to learn how to fight. She recently survived a vicious attack. She approaches

Logan aka "Sculpt" because of his expertise in the ring. At first, he seems completely uninterested in helping her. However, as soon as she explains why she needs his help everything changes. Logan decides that he is exactly what Emily needs. Logan and Emily begin training together. After training he takes her out for ice cream, dinners, and he plays his guitar for her while they watch the horses roam. Emily and Logan fall hard for each other. The connection between the two is electric! The primal ownership that Logan feels for Emily is consuming. Emily is cherished, loved, and desired. Of course, Logan wants to take Emily on tour with him and his band. Will she go on tour with Torn? This novella ends on a cliffy so make sure you have Torn from You ready to go! I simply cannot say enough about my love for this author and this series. If you haven't met these amazing characters don't waste another minute! "I want you with me."

"I'll look after you." His voice lowered.

"I'm not happy leaving you here, baby." Logan

In all the books I've ever read, and we're talking probably 400+ in the last two years, I've never read the beginning of such a slow aching love with such incredible description. I read the book description and excerpt and knew this would be good, but DAMN!! I finished it before I even realized where I was in terms of the end. Talk about falling off a cliff. It came out of nowhere. I'm adding Nashoda Rose as one of my favorite authors, among the likes of Tillie Cole, Allysa Rose Ivy, T.K. Leigh, Cambria Hebert, Barbara Holland Speak, Cassia Leo and Addison Moore. Yes, I think she's that good. There's Sculpt, yes odd, yet intriguing name there. He's 6'3" of muscle, tattoo laden, hard body, who battles in the world of illegal underground fights to raise money for the band he fronts to go on tour. Oh, and he rides a motorcycle. If the thought of such a hottie didn't just push you over that orgasmic cliff, nothing will. His total alpha male dominance is complimented by the tenderness he shows only one girl, Emily. "He slipped his arm around my waist, leaned in and whispered in my ear how much he wanted to slip his finger between my legs and feel how wet I was . . . My breath hitched, and I swear my body combusted, and I had a mini orgasm right then. Then he whispered, "Soon, I'm sinking into that wetness, Eme. But not yet." The corners of his lips twitched. He knew exactly what he was doing to me. "When I know your first time will make you scream my name. When I know I have you completely." Emily lived with her best friend Kat and Kat's older brother Matt for a while now. Matt was almost a surrogate Dad to her. Emily's self-image was low and beaten down by an alcoholic Mother who saw Eme as having ruined her life. Their paths cross when Emily asks Sculpt to teach her to fight and defend herself after an

incident that could have ended very badly for her. With conditions, he offers to work with her. Sculpt keeps his past to himself, away from everyone, even his bandmates. How can he be trusted with her heart, if he won't trust her with his own? Secrets will tear them asunder. The past has a way of shadowing you wherever you go, catching up with you, no matter how hard you try to keep it at bay.

Forget all the dumb crap this will suck you in, eat you up, wet you down, and spit shine your butt. Then throw you a curve ball like a muther. It has a clifffy but it's a novella and should be purchased with Torn from you. Honestly, With You lays all the background for Sculpt & Emily. Sculpt is a sexy, underground fighter that doubles as a singer in the band Tear Asunder. He decides to help Emily with some self defense lessons and ends up spending more time with this brunette than he anticipated. He doesn't do brunettes! Since she ended up getting under his skin, he wasted no time getting in her head and wanting in her pants! Which leads me to Emily! This girl is trying to learn some basic self defense moves to fight off an attacker (she should have been worried about falling for Sculpt). She has pretty low self confidence Thanks to her POS mom that put her down any chance she got. Emily ended up moving in with her sassy Bff Kat and her brother Matt. They had become her family. They were like the devil and the angel sitting on her shoulders. Matt totally opposed to the idea of Emily any where near Sculpt and Kat encouraging her to let Sculpt do any and everything to her!!! Just when you think everything is kosher, the author drops a bomb and your mouth is like say Whaaaaaat!!! Then she gives you some foreplay for the next book Torn from you. Thank God you can get the next installment to find out what happens!!!!
