Sunflowers 2018 12 X 12 Inch Monthly Square Wall Calendar, Flower Floral Plant Outdoor Nature

Synopsis

While its seeds make a delightful snack and a remarkably useful oil, the blossom of the sunflower is more a feast for the eyes. Native to the North American continent and immortalized in a series of Vincent van Gogh paintings, the sunflower is adored for its fulsome yellow-rayed flower and faithful following of the sun. Admire this incomparable plant with a Sunflowers square wall calendar. This calendar includes a 6 month (July - December) 2017 planner page, so get yours early! Calendar includes Holidays, moon phases, image captions with locations and other information, the highest quality photography and more!

Book Information
