Clara And Clem In Outer Space (Penguin Young Readers, Level 1)

Synopsis

When Clara and Clem build a robot out of blocks, they have no idea where the robot (and their imaginations) will take them. But soon enough, they are in outer space! They see planets and stars, aliens and Mars. This Level 1 is beautifully simple and sweet.

Grade Level: Kindergarten - 1

Customer Reviews

Ethan Long (www.ethanlong.com) is the author and illustrator of numerous books, including [Clara and Clem Take a Ride](#).

Very cute story told entirely through speech bubbles and comic book-type illustrations. Even with the extremely simple text, the author was able to develop the theme of imagination and create a strong female lead in Clara. My struggling first-grade readers love this book. I will be purchasing more Clara and Clem titles for my classroom.

My daughter absolutely loves this book. It made reading fun and helped her get over her fear of reading. Thank you Ethan for this simple story that draws in young readers, and is my daughters favorite book.
