Customer Reviews

Almanac each year is always my son's favorite.

I bought this item for my 7-yr old daughter, who checks it out bi-weekly from the library. She loves it and couldn't be happier. The book arrived a day earlier than expected, which is amazing considering how close it was to Christmas!

Adults and children liked this book. Pages colorful and well done presentation of facts. Enjoyed making question and answer games out of it.

My 9 year old nephew loved this Almanac. High quality. I did not have a chance to review the content before I gave it to him.

Scholastic Almanac for Kids 2014. My 9 year granddaughter loves it. She quotes from it constantly. It was a wonderful gift.

I always consider a book that the kids fight over to be a great success! Thanks again for making reading pleasurable.

Our 11 year old goddaughter loved receiving it, and uses it daily to check facts on a variety of things!
