A Girl's On-Course Survival Guide To Golf: Tee To Green And In-Between

Synopsis

A Girl's On-Course Survival Guide to Golf is a portable guide that addresses every detail of a woman's golf game from tee to green and in-between. It's packed full of instructional, step-by-step photographs for every technical aspect of the game, while also covering course management, mental tools, rules and etiquette, and a hysterical jokes section for when all else fails. Dotted with fun illustrations when on-course, from tee to green and in-between, A Girl's On-Course Survival Guide to Golf is approachable, user-friendly, and perfectly sized for the golf bag. This guide allows readers to improve their game while they are playing with a wire binding that allows for easy use on the golf course. No more wishing you could remember what you read in last month's Golf for Women--now every question is answered. The clear, easy-to-follow, how-to photographs and illustrations provide re-creatable visuals that will ensure success from the tee to the green.

This is a great guide as you are learning to golf. I keep it in my purse and read it all the time. And go back and refer to things I need to know. The first book I received was missing about 10 pages, but after a quick return I got a book with all the pages. Just check to make sure you have all yours!

Love, love, love this book! Always had questions about the rules, easy clear understanding. Has helped my golf, I work on one thing at a time and this is the book to use.

This is a great book for beginners. It's been very helpful in correcting some of my golf techniques.

Very helpful. I have this book and refer to it many times. Just bought it as a bday gift for a fellow golfer.

This is so well done!!!! The pictures are great. The notes are too - Love the "Yes" and "No" to let the reader know what to do. I will get another one of her offerings. Highly recommend.

Great book but I had so much trouble trying to get this book after someone told me about it. It really has a lot of information in it.

This book really gave me a foundation understanding of golf & course etiquette. I've really benefited from reading it. A lot of great tips & instructional pictures.

Very nice basic golfing for the beginner or novice - or a person needing tips --- I bought it for my sister gal - but I read it thru and it's great for guys too!
