The Complete Idiot's Guide To Walt Disney World, 2013 Edition

Synopsis

Walt Disney World is the ultimate family vacation, plus a fun getaway for couples, too. However, there is so much to see and do that it takes careful planning to choose the right attractions, accommodations, meals, and other entertainment to keep everyone happy without blowing the budget. The Complete Idiot's Guide® to Walt Disney World has expert advice and information for visitors of any age and stage: families with very young children, middle schoolers, and teens as well as the couples and adults of all ages who visit WDW every day. In it, you get: Tools for pre-trip planning, including scheduling the trip, booking accommodations, and selecting park tickets. Tips for getting the most out of Disney dining dollars, including character meals. Detailed reviews of the Magic Kingdom, Epcot, Hollywood Studios, and the Animal Kingdom, including appropriate attractions by age group. Detailed coverage and maps of the exciting expansion to Fantasyland, including Beast's Castle. Insider information on exploring the water parks, golf courses, nightclubs, shops, and other Disney attractions. Extensive itineraries, maps, and photos to help guests make the most of their Disney adventure.

Customer Reviews

Doug Ingersoll is the author of five editions of The Complete Idiot's Guide® to Walt Disney World, as well as the creator of the iPhone application The Walt Disney World Complete Travel Guide. A lifelong Disney fan, Doug has been vacationing at Walt Disney World for more than 40 years. He has helped friends, family, and others negotiate the maze of planning to enjoy a vacation

to the Magic Kingdom with his unique card system. Doug has refined his attraction, hotel, and restaurant reviews on over 100 trips to Walt Disney World and the Orlando area, including family vacations, bachelor weekends, and romantic couples' getaways. Doug is a member of the Walt Disney World Moms Panel, only the second dad to achieve this honor. The panel of moms and dads, selected by Disney, offers advice to vacationers at the Walt Disney World website (disneyworldmoms.com). Doug has a Bachelor of Arts degree in communication arts and sciences from DePauw University and an MBA in marketing from Indiana University.

I had been to Disneyworld once before, and spent a lot of time running in circles. This book has everything from monthly temperature profiles to time your visit by, to an explanation of the various levels of Disney resorts -- economical family to deluxe wedding locale. I wish I had bought it before I made our reservations! We really used the casual food and restaurant recommendations to hit the best and skip the rest. The author has prepared tear out checklists of attractions/route maps for family groups of different ages, so you can personalize them ahead of time and leave the book at the hotel.

Good book. Good transaction.

This is the best guide about Walt Disney World that I have found so far. It is set up very well, the really neat thing is the little cards at the back that let you lay out your visits to each park.

This book is full of information about a visit to Disney World. Am very pleased with the contents.

A lot of information in short easy to remember format to help make your trip successful. I even had younger readers reading it.

Really enjoy reading all I can about going to Walt Disney World and this book will help on my next trip.

Every time we've gone to WDW, I use this book. Everything you want to know about WDW is in here.

We own the 2009 edition of this book. We were very happy with it. It provided excellent advice for

new and returning visitors, including little tidbits that even frequent visitors might not have know. We ordered the new 2013 edition because we are headed back to Disney and wanted the new information about the Fantasyland expansion advertised for this book. We cannot find any information on the new Fantasyland expansion. I have no idea why it is posted on the front of the book. When we bought it there were no reviews. We will be returning it.Ã A The Complete Idiot's Guide to Walt Disney World, 2013 Edition
