The Cookie Sutra: An Ancient Treatise: That Love Shall Never Grow Stale. Nor Crumble.

Synopsis

Birds do it, bees do it. And guess what? Cookies do it, too. In fact, never have a pair of gingerbread cookies looked so pleased. Yes, the Kama Sutra meets the Joy of Cooking. Featuring an unabashed gingerbread couple, who are photographed in unflinching full color, the Cookie Sutra is a recipe for pleasure. There is The First Posture, where two are yoked as one (yet the calorie count remains unchanged). The Pair of Tongs, allowing the woman to be open, free, sweet and crunchy. Pounding the Spot, requiring the suppleness of freshly rolled dough. There is Scissors, Autumn Dog, Tripod, The Wheelbarrow, The Snake Trap. And, for the advanced and adventurous, The Suspended Congress! Great care must be taken lest the cookies crumble.

Edward Jaye is an award-winning advertising executive. He lives with his wife in Massachusetts.

This is a cute book. For some reason I thought it was a cookbook, so don't misread like I did. :) I bought this as a gift. There is a recipe in the back of the book, which is a nice added bonus. The book itself is adorable and quirky. I recommend this to anyone who's looking for an out of the box present or just wants a fun book to read.

I bought this for a bachelorette party and it has a HUGE hit!!! The bride didn't want the typical bachelorette gag gifts, so this was perfect. It gave everyone a good laugh, without offending anyone! The pictures are super cute and the little faces are hilarious. It was a little small than I

expected, but definitely worth it! I also gave gingerbread man and lady cookie cutters and the bride loved it!

The book is small and compact to fit in a purse. It has nice illustrations however arrived to my house dirty. I can't believe they would put this in a tray to sell. It's black smudges that I can't remove. This is supposed to be a bridal shower gift but I can't wrap this and give her a smudged book.

Hilarious bachelorette party gift for any bride, but this pastry chef bride particularly enjoyed it a lot. The descriptions are perfect, and you'll spend a good amount of time passing it around and reading every page.

Fun gift to add to newlyweds present. Cute book.

Funny little book! I purchased this as a present for my friend's bridal shower. She loved it!

Purchased this gift for a friend's Bachelorette party. Everyone loved and especially the bride-to-be! The packaging it arrived in was adequate and the product arrived in great condition. Definitely would recommend if you are looking for a cute/funny gift to give to a friend!

Since I'm a baker, I thought I would think this was funny...not so much. Cheesey fun, I guess. I will give it as a gag gift.
