PandoraHearts, Vol. 6 - Manga

Synopsis

"What those people are looking at...isn't me." Though Oz's sudden appearance in the midst of Pandora wreaks havoc, the initially chilly reception to the prison-breaker runs more than warm when Jack Vessalius, hero of the tragedy of Sablier and the man from Alice's memories, manifests in Oz's body. Sensing Oz's resultant inner turmoil, Uncle Oscar drags Oz and company on a "mission" to Lutwidge Academy, where Oz's little sister, Ada, is a student. But some carefree fun and a tearful reunion ten years in the making is not all for which Oz must prepare himself: crimson-cloaked foes are lying in wait to torture him for answers about the events of a hundred years ago...

Book Information

Series: PandoraHearts (Book 6)

Paperback: 192 pages

Publisher: Yen Press (July 19, 2011)

Language: English

Customer Reviews

Jun Mochizuki is the New York Times bestselling creator of PandoraHearts and CRIMSON-SHELL. The success of her PandoraHearts series spawned an extremely popular anime adaptation.

My daughter loved it!

Waited for this

Good deal!

I love this series! It only gets better and better!!!

cool

I really enjoy this series. It has a good story line and great art work. I would recommend it to any Manga fan.

I am very glad that this series is on . It's addicting. The characters are all good, despite the fact that a handful of them aren't people you'd want to hang out with. If you want a good story and good characters, good art and background too, then this is a great manga to start with. I got these on time and in good shape. Thank you!

Is a cool anime, the books are pretty, i like it so much, i want all of them, so cool....
