O Brother, Where Art Thou?: Piano/Vocal Highlights (Piano/Vocal/Guitar Songbook)

Synopsis

(Piano/Vocal/Guitar Songbook). Grammy Award winner for Album of the Year! This unique songbook features piano/vocal arrangements of 11 selections from the critically-acclaimed Coen brothers film. The traditional songs for this film were selected by T-Bone Burnett to capture the sound of the early-'30s South, and the movie soundtrack has done much to rekindle interest in the folk/blues/bluegrass/gospel genres. Songs include: Big Rock Candy Mountain (Harry McClintock) * You Are My Sunshine (Norman Blake) * I Am a Man of Constant Sorrow (The Soggy Bottom Boys/Norman Blake) * Keep on the Sunny Side (The Whites) * I'll Fly Away (Alison Krauss and Gillian Welch) * and more. Includes great photos from the film. Also available: 00313182 Guitar Tab/Melody/Lyrics/Chords Edition \$14.95

Book Information

Paperback: 40 pages

We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the

performing arts.

Scores are wonderful and paper quality is just what I would expect. No complaints

It came with water damage!! I was disappointed. Music is awesome though

The note size for Piano is the perfect size, and great for an early-intermediate piano level.

The music and lyrics match up with the separate music cd for easier karaoke style of singing for self use. I like this - some other music cd's and song books don't match and it makes for a frustrating time when singing.

Wonderful book. wife absolutely loves having it

Gift for my niece. She was very happy with the music.

fun lyrics and tunes for the many "Old timey" music from this great film.

We love most of the songs on this CD and still listen to them regularly. Good movie and excellent music accompaniment.
