Customer Reviews

—Anne Geddes is one of the world's most respected and acclaimed photographers. Her classic images of newborns grace greeting cards, calendars, books, stationery, and photo albums. With two New York Times best-sellers to her credit, Anne has enjoyed worldwide critical and public acclaim.

I LOVE LOVE LOVE LOVE this Anne Geddes 2017 Timeless Wall Calendar!!! I have purchased her calendar every year for about 22 years (or however long they have been out) because I just adore Anne Geddes' work, with the exception of a few times when I tried other publishers' "babies" calendars because Anne Geddes was sold out. I have NEVER been disappointed with the EXCELLENT QUALITY of AG calendars, yet the 3 other brands I purchased all made me say

"NEVER AGAIN" will I buy a brand other than AG because the quality of OTHER calendars has NEVER matched the Anne Geddes calendars. Sure, the others have some GORGEOUS photos of babies, but the paper / cardstock used in the AG calendars FAR SURPASSES the other brands. I write birthdays, special moments, appointments, etc. on my calendars and the AG calendars have always stood up to that WITHOUT any indentations on the photo for the following month when I have written on the calendar boxes for the previous months. For example, when I wrote my MIL's January bday on the other Calendars, the February photo for the OTHER brand calendars were always indented from writing on the date section for January. That has NEVER happened w/the Anne Geddes calendar, & why I bought another one this year. Last year I purchased another brand because AG was completely sold out & I needed a calendar... and since it had been several years since I bought another calendar brand, I quickly realized the paper / cardstock was probably HALF of the Anne Geddes calendars. Lesson learned, & this year I ordered mine EARLY :). VERY happy & will be back! I would LOVE to see some more ORIGINAL photos. This year has a lot of repeats or photos that are very similar to her already well known photos. I would like to see some NEW poses :). I would purchase this & other AG calendars again! LOVE THEM!!

I love this calendar but was disappointed that the babies names were not included on the calendar. Including the names would make the calendar more personal. As best I can remember, the names were always included on the past calendars. I have always enjoyed the Anne Geddes calendars.

Too many of photos from previous years....expected more new photos

What's not to love about these adorable calendars. Can't figure out how she makes the babies co-operate.

I buy this every year for my mother in law. She just adores the pictures of the babies.

Anne Geddes wall calendar arrived on time and is as expected. We are happy.

The calendar was a gift and was loved by the person receiving.

Excellent product as always. Have been buying these for years.
