Cat In The Act (A Millie Holland Cat Cozy Mystery Series Book 3)

Synopsis

When she's officially put on the payroll, Millie is thrilled to be cordially invited to consult on police issues, and it seems she doesn't have to wait long for her first case. Unfortunately, the body without an ID hits much closer to home than she had ever thought possible. With Detective Marx taken off the case and considered a suspect, Millie's left working to clear his name and consulting with a detective who doesn't believe in her abilities. As if it couldn't get any worse, it seems the woman has been reported missing more than once, and everyone she's come into contact with over the years has a motive to make her disappear. Who can Millie trust? And if Detective Cantrell doesn't let her continue her work, how can she prove Jonathan had nothing to do with the murder? As Millie does her investigating and gets in over her head, she learns that not all cases are simple, and it doesn't matter how hard you try. Sometimes, you point the finger in the wrong direction. If you love animals, especially cats, you will enjoy this cozy mystery series.

New author, and what sold me was cats and mystery, a great combination. Millie has 5 cats, and being offered a job as consultant, and other than needing a bigger place to live, things were good. She has a case, can she find the ID needed. She tells her family of cats, it will be a late night, for her, and for them to go on to bed, if they want. What follows is a delightful story, with comments to included her family. It was a good mystery and would be an enjoyable read for all. Especially if you like cats, and her talking to them as she goes about working on the case.

I mean absolutely no disrespect, but after reading a heavy book I like to 'cleanse my pallet' (brain) with something light and uncomplicated....and I love cats anyway, so its a perfect marraige. It was a fun, and cute and enjoyable read. I especially enjoy the personalities of the cats. Those of you who have not lived with cats for 60+ years will not understand, but they all have their own personality and I love the writers who know that and put the personalities in the story line. It's a fun, uncomplicated, light read, and that is very good sometimes, dont you think? Thank you for writing this book, I am collecting all of your series.

Millie and her family of cats is charming. Millie, however, is no fool and promotes the idea that older folks can and do use the internet and devices connected to the internet well. The basic tool Millie uses is her ability to reason. It is interesting to find her irritation with age bias.

I enjoyed reading my first Millie Holland book. It was a very fast read. I can identify with the main character living alone with cats. Millie seems to be a sharp woman with a quick mind. She picks up on emotions and can think out of the box. Will look forward to another adventure with Millie.

Short cozy mystery suitable for all ages. Millie is hired ass a consultant and is determined to solve a young woman's murder, especially after the new officer in charge doesn't appear eager to investigate.

Fun book with a great main character, who has fuzzy kids! She is a whiz at research and has a good head on her shoulders. Enjoyed her mindset and quick thinking!

Another of Nancy Davis' enjoyable quick reads. I only wish they were a little longer.

MILLIE & HER CAT FAMILY VIGGO, NEWMAN (HE HAS BLUE EYES), GRANT (HE'S DEBONAIR), HARLOW (SHE GOES FOR SENSUAL) & CORALINE (WHO'D GIVE ANYTHING TO GO BACK TO HER TRASH CANS) SOLVE ANOTHER MURDER. HER YOUNG DETECTIVE FRIEND DOESN'T REALLY WANT HER HELP, BUT SHE COMES UP WITH SUCH GOOD EVIDENCE. THIS IS A QUICK, FUN READ.
