## Customer Reviews

RICHARD SCARRY is one of the world's best-loved children's authors EVER! In his extraordinary career, Scarry illustrated over 150 books, many of which have never been out of print. His books have sold over 100 million copies around the world and are currently published in over twenty languages. No other illustrator has shown such a lively interest in the words and concepts of early childhood. Richard Scarry was posthumously awarded a Lifetime Achievement Award from the Society of Illustrators in 2012.

This is a good value for 3 stories. I only wish I would have known in advance which stories were included because unfortunately, we already had all three! I took a chance based on the publisher's vague description hoping these stories were new to us. I guess I'll keep the book for when we are

traveling or gift it to a friend. For reference, here are the stories included: A Day at the Airport A Day at the Fire Station A Day at the Police Station Like most of Richard Scarry's stories, these are entertaining and fun for kids and adults. The colorful illustrations are especially great for finding unusual and often, silly details!
