Goodnight Unicorn: A Magical Parody

Synopsis

The perfect hardcover gift book for anyone head-over-hooves for unicorns, flying horses, or little ponies!"For all those little lords and ladies who adore unicorns, this book is the bedtime story for them! The illustrations are top-notch and beautifully colored. The prose is perfect. Highly recommended." — The Children's Book ReviewAs night falls in the enchanted forest, the unicorns and their friends gather to get ready for bed. Say goodnight to all the types of unicorns — the pearly-whites, the foals, the oldens, the fluffies, the jet-blacks, the cuties, and more — as well as the wonderful beings who attend them, from rainbows and fairies to baby dragons and, of course, the full moon. Readers who've always wondered about unicorn habits, what a group of unicorns is called, and other mysteries will also be captivated by the fun unicorn facts that follow the story. It's a magical, fantasy bedtime story for unicorn lovers young and young-at-heart! Grown-up fans of My Little Pony, The Last Unicorn, and Lisa Frank will treasure this book just as much as the new generation of unicornophiles!

I bought this book for my daughter-in-law for Christmas since she loves unicorns. She said that it was her favorite gift. That says a lot considering that I also gave her a Pandora charm. Lol.

Pretty book with bright, colorful illustrations. Bought it for a friend's daughter who was very sick in hospital along with a stuffed unicorn and she loved it. She even had her mother buy a brush to brush the unicorn.
