# Serving My Viking Masters 4: Passion's Price

## Synopsis

Kira, the beautiful Irish bed slave of a powerful and possessive Viking king, realizes she and her lover Drengur will face a dire future if caught by Barek, her king and master. Crushing the massive warrior's heart in order to spare his life, Kira resigns herself to an empty existence as a pleasure vessel for the king, and nothing more. Fate has another plan for Kira, however, as the ruthless king of a neighboring land plots with her master to trade her supple flesh as repayment for old debts. Will Kira be able to withstand the unflagging onslaught of lusty, strapping men as she is shared by Mogr and his twin sons? Finally given over to Mogr's barbaric warband to take their pleasure as they please, the lovely bed slave fears for her life. Bound, gagged, and completely defenseless, Kira struggles helplessly against the assailment of hard, brawny warriors intent on using her body for their enjoyment. Will Kira's former lover Drengur intercede to save her, or will his bitter heart urge him to join the depraved gang of men brawling for her tender flesh?

## Customer Reviews

Great set of books! You get pulled in with by the story and heated by the to erotic action. Read all 4

I am SO glad I bought this book! I was a huge fan of this series, and this final installment in the storyline brought the same stellar writing, vividly written passion scenes, and action-packed plot that I have come to expect from this author--plus the perfect ending. Kira has to go through even more trials and tribulations in this volume, but I guarantee you won't be disappointed with the final outcome. I was hot under the collar from the get-go, and was left with a goofy, sappy smile on my face after reading the final page. If you like dark Viking romance, you have got to read this series.

Another amazing book by Serena! A perfect ending and I loved it! If you haven't read this series it's a must!!
