# Pussy Closeup Erotic Photo Book 1 Of Full Nudity Uncensored Striptease Pictures With MILF Women

## Synopsis

UNCENSORED FULL NUDITY SEX PICTURES FOR MATURE ADULT ONLY! This book features not 1, not 2, not 3, not 4, not 5, not 6, not 7, not 8, but a whopping 9 - yes, NINE - photo sets of porn goddesses - professional adult models, no cheap amateurs. They know how to tease you and how to strip naked and to pose and expose for you! The striptease that you like by college cuties (age 21+) and older women (MILF). This book contains more than just 100 pics, nope, neither 101 ... it has over 300 of them! Screen filling high resolution professional high quality photos in color or black & white, depending on your device. For Kindle, Kindle Fire, PC, Tablet and Smartphone. What about high definition screen filling pictures of not only the gorgeous sweet tits of our horny young cutie girls? Our naughty sex goddesses show it all! They got nothing to hide and strip their clothes off of their bodies, to expose to you all of their female beauty, i.e., their big tits, their bums and they do spread their legs and show you their naked shaved pink open pussies. Dream girls to die for! This article is top class color photography by an internationally renowned nude women photographer and distributor. Please note that we have cut the crap and bring to you the bare essentials in a completely uncensored book! These photos are fully licensed legal content compliant with US Code 2257 (nude sex photography record keeping requirements) - unlike many other photos you may find in ebooks, ours are not illegally scraped from a random website. We are professional nude girl photographers and publishers, serious about our business ... and honest with everyone. When we say our girls strip down to full nudity, they do a full strip and show all of their female assets. Period! You will see various stages of undress, stripping for your pleasure all the way to full frontal and rear nudity with fully exposed pussy. There's an average of 40 to 50 pics per set. How often have you seen poor or even stolen or even crap, badly formatted and blurred, small sized, not filling your device's screen? And how often have you paid your hard earned money for such crap? We do not know and we do not care. What we care about is that we deliver high quality content that our loyally returning adult content customers appreciate. Our ebooks cost little more than the average sex pictures book. And they definitely cost less - per pic - than many others giving you a handful of poorly formatted pics! Check the preview part and decide on your own. Anyhow, we wish you good enjoyment from our top notch sex pictures. By the way, our books include a full sized public preview section with masked and copyright protected photography. Don't be deterred, these are followed by unmasked and uncensored top class state of the art nude photographs.

## Book Information

File Size: 130864 KB

Print Length: 546 pages

Publication Date: May 20, 2017
