Customer Reviews

I bought this for a Foster boy that I work with and he loves these things. He has 2010 up to 2015 and now 2017. He reads them all the time and is fascinated by all the facts and info about games.

My son loves it. I personally don't think there is enough information in here, but he loves to look at the pictures so worth the birthday buy for him.

My son is obsessed with this book. He carries it with him everywhere and loves referencing it in his

downtime

Bought this on because it's much cheaper than the Scholastic book fair at my son's school. He was super excited to receive it and has spent many hours reading it.

Great book! Interesting facts!

I got this for my son for Christmas. He loves it. It's everything it was advertised that be. It's a nice quality book -- larger than I expected (in a good way) and the pictures are really great. If you have a gamer in the house, this is a great non electronic gift to get them.

My 10 year old has to have the new Game on Book every year. He loves them.

I bought this for my grandson and he was so excited when he opened his gift ~ his exact words "Oh boy grandma this is just what I need." Therefore, judging by my grandson glee my gift was a winner!!!
