Former All Black Frank Bunce is a rugby legend and one of the greatest centers of all time. He is now a commentator on the sport, and a high-performance coach at the International Rugby Academy.

This is a very good book for learning the rules and tactics of Rugby. Very well illustrated with color photos of actual plays accompanying the text. Written for youth players with suggestions for developing skills, but grownups will find it excellent reading and not childish in any way.

Expect to understand rugby a little better next time we watch!!!!

Excellent transaction. Item as described and fast shipping. Thank You.
