My Visits To Heaven- Lessons Learned

Synopsis

If you are anything like me, then one of your favorite subjects is heaven. It is so hard to find a really good book on heaven. However, this book is much more than a description of heaven. Instead, you will discover how you can access heaven for yourself. It is my prayer that this short book of mine will not only inspire you to go to heaven but even take you there while you read it. We have access to heaven as part of our inheritance through Christ's shed blood. The Bible says that we are already seated in heavenly places. If you can imagine that you are seated next to Jesus on a throne, then all you really need to do is open your spiritual eyes, and you will be in heaven. In this book, I hope to encourage you about heaven and to teach you how to visit heaven. I will share the lessons that I learned from my encounters in heaven. I pray that you will add this to your catalogue of books on heaven and visit there yourself one day. I have included exercises that might even help you encounter heaven before you finish reading it if you approach them with faith. If you do not encounter heaven by reading this book, you can visit my website to access your own trip to heaven. Enjoy!

Customer Reviews

Close your eyes. Now listen. Hear Jesus singing, "If you like Pina Coladas, and getting caught in the rain If you're not into yoga, if you have half a brain If you like making love at midnight, in the dunes of the cape I'm the love that you've looked for, come with me, and escape." Don't be offended. HE'S the Love that you've looked for. Go with Him, and escape to the Bridal chamber.

This book definitely can encourage us to continue to run the spiritual race in the Lord. I recommend to read it with an open mind knowing that there is nothing impossible for our God and King, Jesus Christ. I highly recommend.

This is such a good book. I loved how much he shared about heaven. Thank you for writing. I can't wait to read another.

It's informative, educational, entertaining, heart-warming, inspiring, and mesmerizing. I want to frequently visit his amazing mansion; it's like a small city in itself. Perhaps I can rent a corner down in his basement!? I will be quiet like a mouse, I promise. The author has a good heart of gold. Thank you, Matthew, for all you do. - Nicholas.

Great book! Some awesome revelations inside, and the visitations are amazing.

This book is a help to me to have hope for more in my own life. I understand some of the encounters and visions. I feel I am on that track but get stopped up a lot. This book opens up the world of heaven and for a brief time brings heaven to earth and our understanding. God Bless you Mathew and your readers

Would recommend this book for a clearer look at heaven through the eyes of a visitor brings much comfort

Marginal at best.
