Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This book has a collection of songs that are playable and that people over 50 will be familiar with. However, my students are younger, and they aren't familiar with the songs, so it's not really usable as a teaching tool. Looks like it's time for a book with songs that people under 30 will recognize.

Wasn't what I was looking for, types of songs were all over the spectrum

Bought for a class - easy to use and follow along. Great for beginners!

Useful resource for a beginning guitar player.

My grandson loved this/ which I just sent him for his birthday. He can jam with various relatives of different generations. A very diverse anthology.!!

Nice large, heavy book that will stay open at whatever song you are playing. Songs from all different genre here.

As described and prompt. My grandson is playing guitar. He wanted songbooks, but no one could tell me what kind. I bought this book and it turned out to be PERFECT for what he wanted!

Great book for beginners.
