Customer Reviews

Covers all areas well and is up to date. Large book that is well indexed. Good resource book for a

pediatric anesthetic department.

Great book for review. Some items in sections are redundant. There are a lot of electronic references, which is annoying when you are studying the book. But, overall current and good

Excellent

great

Uno de los libros más completos para aquellos que nos apasiona la anestesia pediátrica en un formato de fácil lectura y a la mano en cualquier momento
