# Ripped: Diamondbacks MC

## Synopsis

I'll rip her clothes off and f\*ck her until she screams. Her friends warned that I'm the last person you want to f\*ck with, and she stole my bike on a dare. I don't play nice, I don't obey the rules. She thinks she's in for a night of thrills. I'll teach her a lesson she'll never forget. I was in town to do one of the most important deals for my club the Diamondbacks MC. She was looking for a night of thrills. Her friends warned her about me, but that didn't stop her from stealing my bike. Nobody lays a finger on my property and gets away with it. And Eve Robinson sure as hell isn't going to be the first one. When I got my hands on her, I decided to punish her another way. I ripped her clothes off and pinned her to my bed. Taught her a lesson that she'll never forget. But now some bastard thinks Eve belongs to him. He has no idea what I'm capable of. No idea what I'll do to keep what's mine. Ripped is a full-length, standalone romance novel with steamy hot sex, NO CHEATING, strong language, a happily ever after ending and NO CLIFFHANGERS. Contains dark and disturbing themes, and over the top sexiness that may be uncomfortable for some readers.

## Customer Reviews

Kathryn Thomas has out done herself with this book. It is one hot ride filled with hot sexy moments and hold your breath and see ones. I just had to one click it. Eve is bored with her life so she takes up pole dancing at night. Lind aka Vipers is a Diamondbacks and he is in town for a deal. Eve asks a fellow dancer about him and she may want to stay way but that sounds boring. Eve is looking for fun and Vipers looks like he could provide it. Okay so now you have to read it so you know what happens. Your going to love it too. I recieved this book as an arc and i am giving my honest review voluntarily

Kathryn Thomas has delivered another 5 star read with a book that delivers what any self respecting MC book has to offer! I absolutely loved the plot and OMG, the passion between Eve and Lind was so hot that I was afraid my kindle would melt. As I was reading this book I felt like I was along for the ride and what a ride it was!! voluntarily reviewed an advanced reader copy of this book. However, I enjoyed this book so much that I one clicked it and you should too!

Loved this book and the other one "beast" was a great book. The action and wondering what was going to happen next.

OK! I hate bashing a book or author as I know it's hard to get published, not to mention the time and effort to actually write a story. However, I think this story was 23 chapters too long. First, I loved the main characters. I was rooting for Lind and Evening from the beginning. It's all of the content that got on my nerves! I am a HUGE fan of dual POV books, but this? Overkill. Especially when the thoughts of the male were written for the female as well, with each of them having a chapter a piece about the same thought! And making Eve have all of this indecision about his MC when she KNEW he was in an MC just made hate her. One more thing...an epilogue is supposed to be about the couple in the future, whether it's six months or six years down the road, not as a continuation of the last chapter! Why the epilogue was about the very next day in their life is beyond me. I loved their HEA, but it could have been accomplished in a shorter story. Maybe next time, you can give a little more depth to the drama that occurred instead of their thoughts. You built up the drama about a potential danger only to give it a two paragraph description of how it was resolved. Hope the next book is better. At least I got Beast as part of this purchase, so two for the price of one slightly makes up for it.

Eve Robinson by day, and Trinity by night. Eve was tired of her boring life during the day and decided to pole dance at night to let herself free. One night a very sexy commanding alpha male walked in. She asked Jessica, an older dancer who he was. She said the "Viper", who is a member of the Diamondbacks MC. Vipers real name is Lind Addams. That night something bad went down at the club. The Diamondbacks were attacked and no idea why. When Eve went to leave the club that night she was dared to steal Vipers motorcycle. Lind found her in a yard where she had fallen from the bike. Lind then finds out that the club was attacked while he was out looking for his bike. He told Eve that she could not go home as it would be too dangerous until they could figure out what was going down. This book is one of the best MC books ever!!! I thought it was over and bang something else would happen. There are so many twists and turns you cannot put this book down. Kathryn Thomas out did herself on this book! I voluntarily reviewed an ARC of this book.

Ripped *5 stars* Kathryn Thomas! just loved this book. There is so much going on it was just one thing after another in this awesome book, full of twists and turns. Eve (Trinity) is just going through the motions of living, alive but not living. She starts to lead a double life just to hope to feel something. One night while she is being Trinity she takes a dare and that's when her life changes forever. Lind lives for the MC & all the brothers in it. One night Lind and the MC Brothers are set up and it nearly killed his best friend, who also happens to be the MC President. This was such a great read and I don't want to give you any more details. Read this book for yourself as I am sure you will not be able to put it down.

I voluntarily reviewed an advance reader copy of this book. Loved, loved, loved this story. So much happens in this book, one thing is solved & then another curve ball is thrown. Eve (Trinity) is just going through the motions of live, alive but not living. She starts to live a double life just to feel something. One night while she's being Trinity she takes a dare, that's when her life changes forever. Lind lives for the MC & the brothers in it. One night him & the MC are set up, nearly killing his best friend, who is also the MC President. After the dare Eve is found in the side of the road by Lind. After that the story really begins, with twists & turns around every corner. Such a good read

Great read! Eve Robinson aka Trinity is a successful business woman by day and a stripper by night. Lind aka Viper is a member of the notorious Diamondback MC. They notice each other when he has a meeting at the strip club Cobra where she dances. Unfortunately for Lind the meeting was a set up and all hell breaks loose and they are attacked at the meeting...to make matters worse, his

motorcycle is stolen during the meeting! He finds his motorcycle along with the thief...Eve...who stole it on dare. This leads to a whirlwind of kidnappings, killings, love, and deceit. Can they survive it all and have their HEA? I highly recommend this book!
