A Forgetful Governess For The Duke (Regency Romance) (Regency Tales Book 16)

Synopsis

FREE ON KINDLE UNLIMITED Miss Amelia Carrington finds herself in the most peculiar circumstance. She cannot remember her past. Where she came from, where she was going and how she ended up rescued by the scandalous Duke of Lenister. She can remember her first name, her manners and her accomplishments, but as for anything else it is nothing but a mystery. With no prospects or family, the Duke is her only refuge. But can the forgetful governess do what no other woman has yet achieved – steal the heart of the Duke of Lenister? Or will the discovery of her real past derail their scandalous love story. Buy it now to find out how it all ends.

A Forgetful Governess for the Duke is a Sweet Regency Historical Romance. Regina Darcy writes sweet, regency romance stories that always have a good old fashioned happy ending.

Customer Reviews

I truly enjoy R. Darcy's writing, this was no exception. The premise was novel, a Lady having an accident and losing her memory, but it was a good happenstance for her world opens up to her and wonderful along with some nefarious characters throws her our Heroine into a completely group of contacts. She is a nice character, she isn't snappish, or conceited, she is charming and as it is said; God works in mysterious ways his wonders to fulfill.....I love sweet clean historical romances, and Darcy doesn't disappoint! But I may need to get more.....

I enjoyed reading this book very much. I would recommend it to others to read. I look forward to reading more of her books.

Loved this book.

I truly loved this book! Another excellent read by Regina Darcy as always! It started out sad that Amelia's father was sending her away for a marriage to a duke she had never met. She wept at leaving her father as she was aboard the ship to take her to London to her betrothed. But along the way there was a terrible storm which washed her overboard. Luckily she found a crate with ropes & was able to hang onto it. She finally hit land. And who should rescue her but her betrothed the duke Bartholomew. But she was suffering from amnesia. She could only remember her name Amelia. He fished her out of the water & took her to his home she became his governess for his niece. But they were drawn to one another. In the beginning she didn't want to go & marry him but not knowing who she was she was falling for the duke. That's as far as I will go you must read the book for the ending. Lady Wellesley caused a lot of problems. I highly recommend this book! It is worth every star I gave it & more! Enjoy this great read I did!

A Forgetful Governess For The Duke is a delightful quick read. Although with this particular tale it's going to be difficult to say much without giving the plot away which I do not want or intend to do. So, Amelia knows her name. Nothing more. Certainly not why she had washed up on the shore of the Duke's estate in an exhausted, frozen near drowned state. After recuperating a few days, Amelia comes to realize that she is a woman alone in the world with her only knowledge her first name and a sense that she is somewhat educated. It will certainly be difficult to find a position with only that knowledge but she cannot stay here with the unmarried Duke's young niece is in need of a governess, seemingly running through an endless march of unsuitable or cruel woman. Amelia has no known family and nowhere to go, she's offered the chance to remain and become governess to young Mary. Somehow the future will take care of itself. I had fun with this story, the characters are likable and the romance light and believable, even in such a short story. I read this title through my Kindle Unlimited subscription.

This story was very well written. It brought how arranged marriages were done even with an ocean between them. But if it is meant to be it happens.

I clearly was not reading the same book as others. Had grammatical errors (wrong words), very simplistic writing and a pretty contrived plot. A ship wreck coughs up a woman on the shore of the same estate where she was headed to marry the duke? Seriously? Oh, and she had amnesia! I'm sorry but it was really a disappointment.

Short easy read. Great for relaxing afternoon.
