The Assistant

Synopsis

Three years. Three years I've fantasized about my boss. Three years wondering what it would be like to have him touch me, to be trapped under that deliciously hard body while he makes every one of my fantasies come true. I'm not his type. Hell, I'm not even sure the man knows my first name. But I'd make a deal with the devil himself for one night in his bed. I never suspected that beneath his cold exterior there was a fire that burned for me. Why would I? He's never even touched me. Until tonight. Tonight, he's determined to make me his and God help me I'm going to let him. Author's note: This novel contains explicit and steamy sex scenes that may not be your cup of tea. It is intended for mature readers only.

Customer Reviews

Loved Lina and Aiden. Lina was a smart, strong character who turned the tables on her tough to work with boss. Great story with steamy love.

I loved this book. Over the summer I always stop reading to be outside more. I picked this book up knowing it would take me a couple of days to read it. I started reading it and it took me a couple of hours I couldn't put it down. I tried to walk away and it brought me back. Come on fall because I am into reading early this year.

This was my first book from Ms. Gray and I do believe it's a winner. It was funny and sexy. I appreciated how the main female character, Lina, didn't have the perfect body and how it was portrayed in the story. Aiden and Lina were great together.

Easy and entertaining read!

I loved getting to know Lina and Aiden. They were such a powerful couple. They had their own issues to overcome separately and together. When they were together boy did they sizzle! I can't wait to read then next book about Lina's sister, Kate.

Story line did not keep my interest. Not enough drama or intrigued writing to peek my interest. Ok on characters

Very nice read. Not too involved, good story, good ending. Like the way Ms. Gray writes. Enough sex to keep it interesting but not enough to get boring.

First time reading a book by Ramona Gray and I will be back for more of her writing! Did NOT want to put the book down for very long.
