## Customer Reviews

Dr. Rick D. Odland grew up in Sioux Falls and is passionate about the history of his favorite city. His first book, Images of America: Sioux Falls, showed what the city looked like from the late 1800s to the early 1900s. In his second book, it is his hope to highlight some of the many changes that occurred in the modern era of Sioux Falls.

A very quick read. Just don't think this was worth the price I paid here on . Photos with anecdotal comments under each, most of the comments are observational from just looking at the pictures. I guess I was expecting more history.
