Wicked Lexington, North Carolina

Synopsis

Nestled within the heart of North Carolina's Piedmont lies Lexington, a town with a history so iniquitous that few dare to tell the tales. Discover how a veritably unknown young singer named Elvis Presley wiggled and gyrated his way through town, and how the Jolly Black Widow claimed her third husband (and victim) in a string of doomed love affairs. It was here in Lexington that an obscene mail menace sent hundreds of depraved letters to wholesome families, and on a sleepy summer day, police seized nine barrels of illicit liquor only to be stolen back and imbibed by the original owners that night. Travel with local author Alice Sink down the streets of old-time Lexington to view a city riddled with all manner of unsavory deeds.

Book Information

Series: Wicked

Paperback: 128 pages

Publisher: The History Press; First Edition first Printing edition (June 21, 2011)

Language: English

ISBN-10: 1609493095

ISBN-13: 978-1609493097

Product Dimensions: 6 x 0.3 x 9 inches

Customer Reviews

Alice E. Sink is the published author of books and numerous short stories, articles and essays in anthologies and in trade and literary magazines. She earned her MFA in creative writing from the University of North Carolina, Greensboro. For thirty years, she taught writing courses at High Point University in High Point, North Carolina, where she received the Meredith Clark Slane Distinguished Teaching/Service Award in 2002. The North Carolina Arts Council and the partnering arts councils of the Central Piedmont Regional Artists Hub Program awarded Sink a 2007 grant to promote her writing.

Gift for my mom. She was thrilled.

I was born and grew up in Lexington. The stories that I remember from the newspaper were a lot more interesting than what was written about in this book. I even found grammatical and spelling errors. I really wasted my money on this one.

I lived and worked in the Lexington/Salisbury area for fifteen years. Since I am not originally from the area, I was not familiar with some of the older references. I enjoyed the book very much; it brought back pleasant memories Davidson County. I had no idea Elvis had performed there! The book could have been edited a bit more. I may buy another copy to give as a gift to a Lexington resident!

I loved this entertaining book. The way the author uses the written newspaper accounts of yesteryear is just plain fun. If this genre of writing were still practiced today, our daily papers would certainly be more interesting. Thank you, Alice, for providing a delightful afternoon of reading. I can't wait to see what little known stories are in your other books! I'll bet they can't hold a candle to Lexington!

Born and reared in Lexington, NC and I had never heard these wonderful tales of how Wicked the city could be. Totally enjoyed. A good read for natives and non-natives alike. Highly recommend. Easy read and entertaining.
