RVing North To Alaska: Guide For Travel On The Alcan Highway

Synopsis

This book is provided to give all who wish to travel to Alaska some basic guidelines to make their travel safe, memorable, and truly the trip of a lifetime. We have arranged these pages into two sections: "Technical Considerations" and "Highlights along the Way." We do not seek to advise you on what to see or what to do. We seek to give you as much information as possible for the preparation and the planning of your trip as well as to provide guidelines to avoid those nasty obstacles which could hinder your enjoyment. We have taken from our experiences since our first Alcan trip way back in 1964. As of this writing, we have driven the Alcan forty-one one-way trips. For this 3rd Edition we have added road information observed on our trip in 2016.

Customer Reviews

Rich and Gloria found each other while living in Alaska. A Director of Nursing meets a business executive and their life together has been one great adventure. Collectively, they have traveled the Alcan sixty-seven times in pickups, sedans, cargo trailers, and travel trailers. In their book, RVing North to Alaska, they expertly pass on many of the details of RV and Alcan travel so commonly overlooked. Currently, they reside most of the year in Springfield, Missouri, with two annual trips to Virginia to visit their daughter and the grandkids. Every May they can be seen on the road heading north to Alberta, British Columbia, The Yukon, and on to Fairbanks to spend the summer with their son and grandkids. All along the way, especially on the Alcan, friendships are renewed while new acquaintances become forever friends. Rich Eskew is a novelist and poet. Among his publications which are sold on three continents are: A Tale of Three Journeys Memories

from the Muck Walk With Me Legends, Tall Tales and Outright Lies In his developed persona as “Griz Bait,” Rich performs on stage delighting audiences with tales of hilarity, historical accounts of the Gold Rush era, and true-life adventures.

Very good guide.

Looking forward to using this information.

Really folksy - But very few recommendations.
