Customer Reviews

Given to my 9 year old daughter who just started playing the cello. She is able to play some already. The CD is awesome - she loves listening to all the songs. The best part is that it plays each song twice - once with the cello and then without.... when she gets good enough, SHE can be the soloist. Perfect gift for a cello playing Harry Potter enthusiast.

great for the hp loving cellist

She is already sharing this music with her orchestra friends! The CD is a huge bonus.
