PHR Study Guide: Exam Prep & Practice Test Questions For The Professional In Human Resources Certification Exam

Synopsis

PHR Study Guide: Exam Prep & Practice Test Questions for the Professional in Human Resources Certification Exam Developed for test takers trying to achieve a passing score on the PHR certification, this comprehensive study guide includes:

- Quick Overview
- Test-Taking Strategies
- Introduction to the PHR Certification Exam
- Business Management and Strategy
- Workforce Planning and Employment
- Human Resource Development
- Compensation and Benefits
- Employee and Labor Relations
- Risk Management
- Practice Questions
- Detailed Answer Explanations

Each section of this PHR test review has a comprehensive review that goes into detail to cover all of the content likely to appear on the PHR certification. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not only understand the material that is being covered on the test, but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors. Anyone planning to take the PHR certification should take advantage of the review material, practice test questions, and test-taking strategies contained in this study guide.

Customer Reviews

Love this book. Great study guide

This is awesome material to help prepare for the test.

It really helped me prepare for the PHR exam

Comprehensive and sections are easy to follow. Questions at end of chapters are helpful to give preview of actual exam.

I thought the study guide was easy to follow with current, up-to-date information and relevant practice questions.

Great study guide. Very helpful in getting prepared.

Very basic, not as thorough as BPCI books; however, the reason I gave it a rating I did was that it did have quizzes in it.

This guide is an absolute MUST HAVE for anyone that is prepping for the PHR. This guide is easy to read; there is no jargon or "What does THAT mean?" words or phrases. Additionally, the guide is very well organized. The guide is divided into chapters with specific subject areas. I thought that this was a great thing because I was able to turn to the section that I felt I needed the most help with to study. It was great to find out that I didn't have to read this guide from cover to cover to get the most out of it. This is a pretty slim and concise guide, so it's not very overwhelming. This guide is great and affordable. Also, this is a 2017 edition, so I know that the information available is current. I would gladly recommend this guide to others!
