Edgar Cayce's Story Of Jesus

Synopsis

America's Edgar Cayce's "sleeping prophet" offers his unique interpretation of the greatest story ever told. In addition to his labors on behalf of the physically afflicted, the world-renowned prophet and psychic, Edgar Cayce, gave a series of 2,500 clairvoyant readings devoted to spiritual matters, with reincarnation as their central theme. This extraordinary book brings together the story of Jesus, as found scattered through these readings, making available for the first time the challenging and thought-provoking contribution of America's Edgar Cayce's "sleeping prophet." . . . These excerpts make interesting reading and surely demonstrate the vitality of Cayce's subconscious mind. • Library Journal "The appeal of Mr. Furst's book lies in the fact that he quotes at great length from the Cayce readings, and this should please the people who have been tantalized by brief quotations in other, earlier books." • Nashville Tennessean

Jeffrey Furst is the author of Edgar Cayce's Story of Jesus and Edgar Cayce's Story of Attitudes and Emotions.

This is an excellent book that I have just begun reading. It's answering many of the questions I had about the beginning of time, Jesus, and other biblical characters. I recommend it to those who seek the truth and are willing to be open-minded.

I always learn a lot when I read Edgar Cayce's books. It isn't always easy reading but he is an amazing person and this particular book was very informative. It made me more convinced than ever that reincarnation is a fact.

That is a very potent combination. I have a deep respect for the unusual gifts of Edgar Cayce and like Many who believe or are curious about Christ, this book is a blessing. True, it is not strictly fact, but so much of what Cayce predicted including the dead sea scrolls being discovered, has been proven true that I am willing to go out on a limb. There is enough of the basics to make this a wonderful starting point or , discussion of, for anyone one of any faith if taken as nothing more than a beautiful filling in of the gaps in the bible. I enjoyed reading it and using it as a basis for prayer and meditation.

Very interesting to read

Very good book.

This is a truly interesting read for anyone curious about the life and work of Edgar Cayce.

Enjoy all the books written about Cayce and everything he related throughout history while in a trance... A special God-given ability probably no one else was ever privileged to...

Nice read about Jesus.
