INTERESTING TWISTS TO RECIPES AND AN EXCELLENT CHICKEN TIKKA MASAL WITH

TOMATO SOUP AS A SURPRISE INGREDIENT.

I received a sampler from NetGalley for a unbiased and voluntary review and from what I received, this book is worthy of buying. Nadiya brings heart and soul to her cookbook. She tells a story, peppered with amazing and colorful pictures, of her journey and discovery of foods outside o the food of her childhood. She bought me along with her as she talked about growing up with her native foods of "curry and pink custard and the switch between hands an cutlery." About food and the kitchen being the center of family togetherness. The couple of recipes I was able to see in the sampler I received looked delicious and I definitely would try making them. I wished I had more of the book to read and review, but this is definitely a cookbook worth buying and trying.

I only received a preview of this book from the Publishers but after reading that I have asked my husband to get me the full book for Christmas and I can't wait to get started on the receipes!! The books is bright, brilliantly laid out and the receipes are easy to follow and the images used are mouthwatering - 5 stars and the cheese scones receipe is to die for - yummy!!!

Looking forward to trying out Eton Mess Cheesecake and other recipes.

Real simple recipes. I Love any food that's curried. The Eton Mess Cheesecake also looks good.
