# For Married Women Only: Three Principles For Honoring Your Husband

## Synopsis

How is a wife to love her husband? By learning three things, says Tony Evans: how to submit, seduce, and surrender to her husband. Out of these three principles a godly marriage will grow. In *For Married Women Only*, pastor and author Tony Evans explores these three principles in a straight-forward yet encouraging manner. He unpacks the touchy topic of submission and lays out the rewards inherent in this biblical model. On seduction, Evans looks at the quality of attractiveness and how embodying it can be pleasing to your spouse and to God. And with surrender, readers will examine why a wife is the perfect helpmate for her husband and how to combat attitudes opposed to God's design.

I always enjoy Tony Evans. This audio book is perfect for in the car and on the go. It is not too long either. This information is helpful and encouraging for any Christian Wife. Most Secular women will find his views traditional or old school. I for one, don't have a problem with his view point at all.
